

Playing Apart Together 28 November 2020

Dear Suzuki Flute Friends, dear Parents,

Also in times of Covid 19 we want to enjoy what we love to do: Playing Together with Flute Friends!

Unfortunately we still have to pay attention for our health and our beloved ones.

That's why we will organise a Playing Apart Together with our students over the borders: from the North (Netherlands & Belgium) to the South (Italy).

Date: Saturday 28 November 2020

Location: Your House

Programme:

- Morning: (Book 1, 6 & 16) for Flute Players till the end of Book 3. When choosing this option, you will have an individual lesson from one of our flute teachers from Italy, Belgium or the Netherlands.

After this lesson you send us a video of you playing this piece with a backing track. A collage will be made from all collected videos.

- Afternoon: (Book 1 (1, 9, 13), Book 2 (3), Book 3 (3), Book 4 (1) and Smile by Charlie Chaplin. When choosing this option, you will get a ZOOMlink en we present a ZOOMconcert.

Feel free to join us, deadline for registration: 1 November 2020. The number of participants is limited, so please don't hesitate to long with your enrolment.

More information: ask your home teacher or send a message to playingaparttogether6@gmail.com

We are looking forward to meeting you all!
