

NZSI Auckland Branch is holding a Spring Workshop for Suzuki students in the second week of the 2017 October School Holidays and a warm invitation is extended to all NZSI members. The programme will cater for flute, guitar, piano, and violin students.

The workshop provides an opportunity for students to further their musical interest in an environment that is stimulating and enjoyable. We have a wonderful line-up of experienced Suzuki tutors who will be offering group lessons, technical work and small group master classes. All students will participate in ensemble or music enrichment classes.
